

# Curriculum Enhancement Day Menu

~ Wednesday 28<sup>th</sup> March 2018 ~

Please see below the workshop options for the forthcoming Curriculum Enhancement Day. Through these days we encourage all learners to get out of their comfort zone and try something new. Please discuss the possible options with your child, and complete the attached options form – returning to school by March 14<sup>th</sup> at the latest, when workshops will be allocated for all. If for any reason, your child does not return a form, they will be allocated a space on an available workshop for this day so that everyone has the opportunity to take part.

## Educational

### Maths Games

Mrs Perry is back with her much-loved Maths Games session. Those of you who attended last time know how much fun this session is, practicing your mathematical skills, playing against and with each other to become Maths Champion.
