

## CELEBRATING DIVERSITY

We have had a very exciting start back to school life at Redbrook Hayes. This week all of our learners, from Explorers to Year 6, have taken part in *Celebrating Diversity* week. Our learners have been looking at equality and how all people have the right to be treated with respect and kindness. In Years 1 and 2, learners really enjoyed the book 'Just Because' which tells the story of a little boy and the amazing adventures he has with his sister Clemmie who is a wheelchair user. In Years 5 and 6, learners have particularly enjoyed reading the book, 'And Tango makes Three'. Learners have also been finding out about the similarities between the major world religions. In Explorers and Reception,

learners enjoyed hearing all the different creation stories about how the world was made. In Years 3 & 4 learners discovered how different faiths give to charity and help their communities. We also ran two very inspirational trips this week where learners across KS2 visited three different places of worship.

## YOUNG REPORTERS

In Class 6, we read 3 books called: *And Tango Makes Three*, *My Princess Boy* and *The Islander*. All of these books were about people who were targeted for being different. These books taught us about the types of discrimination that happen every day across the world. From this, we did role plays with different scenarios, where there were bullies being mean to someone because they were different and where someone stood up for the person being bullied and explored how this would feel. We enjoyed this week very much.

### Scarlett and Ebony, Year 6

This week in Year 5 has been amazing because not only have we been on an awesome trip, we have been learning about anti-discrimination and what we can do to help. We have been making really cool posters to make people aware of what discrimination can do to people. We have researched about people who were diverse and made a difference and help to make the world what it is today. On Wednesday we went on a trip to different places of worship and everyone enjoyed it, even the teachers.

### Lily and Layla Year 5

*Congratulations to all our Diversity Heroes. These learners were given awards for embracing equality, having an open mind, valuing all people or changing their opinion.*

# DATES FOR THE DIARY

*\* Please see individual letters*

Monday 23 <sup>rd</sup> September 2019	<b>Year 5 and 6 Educational Visit to the National Space Centre*</b>
Friday 27 <sup>th</sup> September 2019	<b>Macmillan Coffee Morning*</b> <i>Year 5 Learners invite you to join them for the world's biggest coffee morning!</i>
