

ROCKSTAR DAY

Thank you so much to all learners and families for your commitment to our recent Times Table Rock Star day which saw the launch of our whole-school times table battle. Congratulations to Year 6 who came out victorious overall, closely followed by Year 4 and Year 5. In each class, the most valuable player was identified for making the greatest contribution to their team, so a huge well done to: Lily-Mae (Y1), Charlie (Y2), Charlie (Y3), Alfie (Y4), Rachael (Y5) and Rylee (Y6).

Another big shout out to our fastest player Tyler (Y4) who has an amazing average speed of 1.42 seconds per question! And our combined efforts mean that we are now **2nd in our local leader board**, made up of 24 nearby schools! What an achievement! Huge thanks to Miss Cunnington for organising and for everyone who took part – we are incredibly proud of you all!

FEBRUARY 2020

MARVELLOUS MAGNA!

This month, learners in Year 3 and Year 4 visited the Magna Science Museum in Rotherham as part of their connected curriculum learning on Iron Man. They were very excited to see where steel was made, and how Iron Man could have been created, as well as experiencing an amazing fire tornado. Linked to their learning in Science, learners also took part in a sound workshop, learning about how sounds are made, how they travel and differences in pitch.

YUMMY PIZZA

Our fabulous reception learners were inspired by the tastes of Italy on their recent visit to Pizza Express. As well as learning all about the amazing ingredients used in the restaurant, they were able to make their very own pizzas to share with their families at home.

ATTENDANCE

Congratulations to Year 2, 4 and 5 who achieved 100% attendance this week! Our whole school attendance last week was 99% - a fantastic achievement for this time of year. Many thanks for all your support with our recent termly learning conferences, we are delighted to report that 97.5% of parents joined us in celebrating their learners' achievement and next steps at this important time of year.
